Sven's delivery time is normally 25 to 45 minutes. Sometimes during peak hours it might take a little bit longer. Thanks for your patience. 'Good things come to those who wait'.

If you can't wait that long for a delicious wood fired pizza, you can always order pick up.

Sven's loves feedback. If there's anything you're not 100% satisfied with, please let us know so we can improve, and make your next experience even better!
